Greetings Neighbors,

As we settle into the new year, Fairplex Community Relations would like to take this time to share updates and upcoming events happening at Fairplex.

In upholding our commitment to serving as a community benefit organization, Fairplex has become a County of Los Angeles large-scale vaccination site. Drive-thru vaccine distribution began January 19 and currently runs daily from 9 am to 3:30 pm. Vaccines are available by appointment only. Appointments cannot be made at Fairplex and walk-ins are not permitted. To see when you are eligible to receive the vaccine or to make an appointment, please visit [www.vaccinatelacounty.com](http://www.vaccinatelacounty.com) for the latest information. Individuals without computer access may call 833-540-0473 between 8 a.m. and 8:30 p.m., daily, for assistance with appointments. Entry for vaccine appointments is at Gate 15 off Arrow Highway. Fairplex is working with La Verne and Pomona Police Departments to monitor traffic, and while it is expected to flow regularly, we apologize in advance for any inconveniences that may arise during this distribution.

In addition, Fairplex is honored to continue to support the local efforts in addressing the pandemic through use of the Fairplex Hotel to house medically quarantined individuals and COVID-19 testing at Gate 17 conducted by the LA County Department of Health Services. For more information or to schedule a COVID-19 test appointment, please call 2-1-1 to connect with the County Information line or visit [covid19.lacounty.gov](http://covid19.lacounty.gov).

This past month Allied Universal, security systems and services, held a drive-up hiring campaign on February 4, to fill positions in its company for part-time to full-time shifts. Applications can still be submitted online at [jobs.aus.com](http://jobs.aus.com). For questions regarding the hiring event, please call Allied Universal at (714) 887-7375.

As some of our neighbors may have noticed, there is activity going on at Gate 9, also known as the blue lot. We have contracted with a vehicle company to park cars in blue lot, as we have done in the past. If you have any questions, please contact our general information line at (909) 623-3111 or email [info@fairplex.com](mailto:info@fairplex.com).

Please visit <https://fairplex.com/events> for our full calendar of events and follow us on social media @Fairplex on all platforms, for the latest news and activities.

- Feb. 18: **Children's Hospital of Los Angeles Blood Drive** – Fairplex is hosting a blood drive to help the Children's Hospital of Los Angeles meet the needs of their patients, and we encourage the community to come out and donate. Each donation can help two children in need, and you can double your efforts by bringing a friend. Parking will be at Gate 1. To schedule your appointment: Sign up online at [CHLADonateBlood.org](https://CHLADonateBlood.org) using Sponsor Code: LAFAIR.
- Feb.19-28: **Jurassic Quest Drive-Thru** – The new Jurassic Quest Drive-Thru version features more than 70 life-like dinosaurs, including the very popular T. rex, Spinosaurus and Triceratops. Jurassic Quest's herd of animatronic dinos are displayed in realistic scenes that allow guests to experience them roaring and moving from their own vehicles as they drive their way through the tour. During the Drive-Thru experience, guests are guided by an engaging and informative digital audio tour featuring show entertainers and dino wranglers that lasts about an hour. Guests stay in their cars throughout the tour with limited contact, if any, with staff who wear masks, social distance, and follow all state and local guidelines regarding health and safety. Entrance is through Gate 17 off of McKinley Ave. Light noise and traffic will conclude before 10 pm. To purchase tickets or for more information, please visit [www.jurassicquest.com](http://www.jurassicquest.com) .

As always, if you have any issues or immediate concerns during Fairplex events - noise, traffic, or other - please call, text, or email the Neighborhood Response Line (NRL) accessible 24/7 at (909) 263-3304 or [neighborhood@fairplex.com](mailto:neighborhood@fairplex.com).
