

June 2021

Greetings Neighbors,

We wish you all well as we transition from spring into summer and would like to share with you the latest news from Fairplex.

After nearly 100 years of holding our annual Southern California tradition of ooey-gooey delectable on-a-stick, farm animals and carnival thrills in September, the LA County Fair is permanently moving its dates to May beginning in 2022, when we celebrate the Centennial. Next year's fair will run Thursdays-Sundays, plus Memorial Day Monday, May 5-30! Information on hours, pricing, exhibits, competitions and more will be available in the coming months. Check LACountyFair.com regularly, join our mailing list or follow us on social media for updates.

Although the large-scale Fair as we all know and love was cancelled for 2021, we are planning to host a Fair Food experience in late September. More to come soon.

Fairplex continues to serve as an Emergency Intake Site for U.S. Department of Health and Human Services' Office of Refugee Resettlement's shelter program for unaccompanied children. Emergency Intake Sites (EIS) accept unaccompanied children until they can be safely processed, cared for, and either released to a family member, sponsor, or transferred to an appropriate HHS shelter for longer term care. For more information or ways you can support this humanitarian effort, please visit Fairplex.com/EIS.

After serving thousands of community members, the COVID vaccination site will be ending their service this month in what we hope signals a turn for the better in our ongoing battle against COVID-19. The COVID testing site will continue at Gate 17. COVID test appointments are currently not needed and you are able to register on-site, but appointments can still be made and can help reduce wait times. For more information or to locate your nearest operating LA County testing or vaccination site, please visit covid19.lacounty.gov/testing or www.vaccinatelacounty.com respectively. Individuals without computer access may call 833-540-0473 for assistance.

The NHRA Camping World Drag Racing Series will bring winter to Pomona this summer, and fans are invited to celebrate the summer-themed Lucas Oil NHRA Winternationals as it returns to Fairplex, July 30-August 1. Tickets are now on sale at NHRA.com/tickets. Military and First Responders save 20% online through GovX. There will be night racing for the summer race, but NHRA will abide by the city's ordinance of ending by 10 p.m.
