

April 1, 2019

Greetings Neighbors,

April is chock-full of community and fun at Fairplex, but first an update on our March STEA²M Fair. Our inaugural STEA²M Fair brought together thousands of children and families, inspiring creativity and possibilities in the areas of science, technology, engineering, agriculture, arts and math. STEA²M Fair aligned perfectly with the goals we set out to accomplish in our Strategic Plan, to serve as a convener and creator of memories that strengthens the community and economy through innovative and engaging programs. I hope you had a chance to stop by.

As we move into April, our commitment to serving our community and presenting unique experiences remains at the forefront of our programming through events like Care Harbor, a mega clinic event providing free medical, dental and vision care to the underserved, and the Upland Lemon Festival, an Upland tradition produced by Fairplex.

In May, please save the date, as Fairplex hosts a community forum at the **Sheraton Hotel on Tuesday, May 14 at 6 p.m.** Please join us to review how we have implemented the Strategic Plan thus far and share your feedback. We will celebrate the return of Food Truck Thursdays by giving all community forum participants a \$5 food voucher good for any participating vendor during Food Truck Thursdays. We hope to see you there!
