

FAIRPLEX

Due to California Governor Gavin Newsom's declaration that events of more than 250 people be rescheduled at least through March because of COVID-19 (Coronavirus), Fairplex will be canceling or rescheduling events effective immediately.

While we have not experienced any issues, out of an abundance of caution we will abide by the requests of state and county health officials regarding public events.

The Pinners Conference, International Gem & Jewelry Show, Print Pomona Art Book Fair, Ultimate Head 2 Toe Women's Expo and Flow Expo will be rescheduled.

Thank you for your cooperation.
