

# FAIRPLEX

## An Update from us on COVID-19

Dear Fairplex Neighbors -

Today we announced an agreement between Fairplex and Los Angeles County to house medically quarantined individuals at the Sheraton Fairplex Hotel. This is in keeping with our mission as a community benefit organization and our role as a County asset. This is a county-wide effort, and recent orders call for all State and County assets to be available for immediate response to this health pandemic. We are proud that Fairplex can play such a significant part of our community's response to this unprecedented COVID-19 crisis.

The plan is to create a housing option between people whose loved ones are sick with COVID-19 and the broader community. This should ease everyone's concerns to know that we have an alternate option for housing while medically quarantined. The medical quarantine separates and restricts the movement of people who were exposed to a contagious disease to see if they become sick. Every other alternative creates a greater risk for transmission of this illness.

If you or someone you know is experiencing symptoms please contact your primary care physician or nearest healthcare provider. Please contact the Los Angeles County Office of Emergency Management at 2-1-1 for information regarding room availability at the Sheraton Fairplex for COVID-19 quarantine cases. The Sheraton Fairplex is not taking reservations.

This is just one of the ways Fairplex is assisting the community. We are also offering child care for hospital workers and first responders at the Child Development Center. And we are working with Sowing Seeds for Life food bank in La Verne to offer a drive-thru food pantry that will operate out of Gate 15. Guided by our mission, Fairplex has always stepped up in emergencies to help the community. While this is just one element of a much broader effort at all levels of our community to help slow the spread of COVID-19, it goes to the core of what Fairplex is all about: supporting, even preserving community.

Pomona cares about its community. While this is a county-wide effort, it is as much for Pomona as anything Fairplex has ever done. We anticipate the people we serve will come from the Pomona area or have loved ones who live here. Please know that we communicated with elected officials at the Federal, State and Local level to ensure their support of our efforts. We are #PomonaProud.

Thank you for your support. If you have any questions, please contact us at [info@fairplex.com](mailto:info@fairplex.com).

Stay healthy,  
Miguel
