

COVID-19 Protocols

As of January 15th the State of California Covid -19 protocols changed and all guests of the Grand National Roadster Show must be vaccinated or receive a negative COVID-19 test prior to entering the show grounds. Face coverings are required for all Guests (ages 2 and up) while indoors. Face coverings remain optional for all Guests in the outdoor common areas. Attendees must show proof of vaccination either a paper card or electronic version or a negative test within 48 hours.

Do not travel to or enter the event unless you are free of any COVID-19 symptoms and otherwise comply with the requirements of such advisories and restrictions. An inherent risk of exposure to COVID-19 exists in any public place where people are present. COVID-19 is an extremely contagious disease that can lead to severe illness and death. According to the Centers for Disease Control and Prevention, senior citizens and Guests with underlying medical conditions are especially vulnerable. Guests who are under isolation or quarantine orders must not enter the Grand National Roadster Show.

By visiting the Grand National Roadster Show you voluntarily assume all risks related to exposure to COVID-19. As always, our procedures may change as we continue to follow guidance from the State of California and local health officials, so check back to this page for the latest updates.

Visit <https://covid19.ca.gov/> for current state orders and updated information.

Thank you,

The Rod Shows Staff
