

September 2021

Greetings Neighbors,

As we wrap up the summer and head into the fall, Fairplex has a few updates on events and happenings.

Our **Bite-Sized Fair: An LA County Fair Food, Ride & Shopping Experience** is days away! We hope you join us as we say goodbye to our traditional September fair dates with a mini version of the LA County Fair. This bite-sized version of the Fair is a delicious taste of the fair that will help tide us over as we look forward to the return of the full-scale celebration in May 2022. The Bite-Sized Fair will run **September 10 – 26, Fridays - Sundays**, from **3PM-9PM**. Entrance is at Gate 17; please note that this event does not have pedestrian access. Tickets and parking must be purchased in advance at LACountyFair.com/Bite.

Fairplex continues to serve as an Emergency Intake Site for the U.S. Department of Health and Human Services' Office of Refugee Resettlement's shelter program for unaccompanied children. Emergency Intake Sites (EIS) accept unaccompanied children until they can be safely processed, cared for, and either released to a family member, sponsor, or transferred to an appropriate HHS shelter for longer term care. For more information or ways you can support this humanitarian effort, please visit Fairplex.com/EIS.

Drive-up COVID testing, hosted by the LA County Department of Public Health, continues at Gate 17. COVID test appointments, while not necessary, are strongly encouraged and can help reduce wait times. Registration is available on-site. The testing site is currently open Monday through Sunday, 7:30 AM to 4 PM, and will be closing at 2:30pm on Bite-Sized Fair dates. For the most up to date information, please visit covid19.lacounty.gov/testing.

Update on Carvana: In early August, the City of Pomona sent Carvana, who had been using Fairplex's Blue Lot on White Avenue as a vehicle intake site, a Cease and Desist letter. Carvana, in coordination with the City, have agreed to vacate the premises before the end of the year.
