City of Upland Lemon Festival Postponed due to COVID-19

The City of Upland in conjunction with the Learning Centers at Fairplex wishes to notify the Public that in consideration of the wellbeing of the community a decision has been made to postpone the 2020 April Lemon Festival to July 31st thru August 2nd. While we have not experienced any issues, out of an abundance of caution we will abide by the requests of government health officials regarding public events.

For more information and updates, please visit the Learning Centers at Fairplex website: <https://fairplex.com/events/upland-lemon-festival>

The Lemon Festival has been an important part of Upland tradition since 1997. What originally started as a small celebration of the city's citrus industry origins has grown into a town-wide affair including the Lemon Idol singing contest, delicious (and sometimes messy) food competitions, carnival rides, games and support of our local businesses.

The 2020 Upland Lemon Festival is produced by The Learning Centers at Fairplex. TLC is the community-focused, non-profit, philanthropic arm of Fairplex. Combining the event production expertise of the Fairplex team and the community commitment of TLC's educational programs ensures the success of the Upland Lemon Festival.

A portion of the proceeds will benefit designated non-profit organizations in the City of Upland through The Learning Centers at Fairplex.
