"I have been very fortunate to be able to share my passion with countless students, many of whom have continued into college and graduated with a degree in ceramics. I started my personal journey with clay 38 years ago under the tutelage of John Bloughat at Mt. San Antonio College. Since then, I have taught at South Hills High School for the past 27 years and at the Career & Technical Education Center for the past 11 years"

-Scott Stragier
