

Career & Technical Education Center

About

A program of the Learning Centers at Fairplex, the Career & Technical Education Center (CTEC) provides semester-long career technical education courses as well as job acquisition training through the Career Center. There is no cost to high school participants and, with a partnership with San Antonio ROP, students receive hours that may be used for elective credits towards high school graduation.

CTEC Pathways

- Art, Media and Design
- Agriculture
- Automotive
- Energy & Utilities/Water Technology*
- Hospitality/Culinary*
- Welding/Manufacturing*

**New course offering*

How to Apply

1. Visit the CTEC's website, www.fairplex.com/tlcfairplex/programs/ctec
2. Click on Career Tracks for an overview of each pathway.
3. To view the current course schedule, click on "How to Apply".
4. To enroll in a course, download the Application PDF, complete the form and submit it to the contact information provided on the left.
5. Once your application is received, you will receive an enrollment confirmation via email and/or phone.
