The Farm and engage in hands-on activities. Meet
local agricultural educators, community garden
leaders, regenerative farming author-activists,
and our very own Fairplex Farm Ambassadors.

FAIRPLEX PRESENTS

The Farm at Fairplex is an innovative model and resource for agricultural, business, educational, and community benefit that serves our local communities.

Through sustainable and locally focused programs, the five-acre Farm builds awareness of healthy food possibilities and educates on agriculture disciplines, including plant and soil science.
