

Raise Your Steins – Oktoberfest at Fairplex is Back!

Beer. Brats. Bands. Bavaria.

Break out the lederhosen, lace up the dirndls, and get ready to shout “Prost!”—Oktoberfest returns to Fairplex for three weekends of Bavarian-style revelry, October 3–18. This year marks our 12th annual celebration, overflowing with frosty beers, sizzling brats, live music, games, prizes, and the kind of good-time energy that will have you dancing the Chicken Dance before you know it.

Every Friday and Saturday night, the party kicks off at 6 p.m. and runs until 11 p.m. (ages 21+ only—it’s a grown-ups’ playground!). Traditional Oktoberfest and wheat beers will flow, alongside domestic brews, specialty cocktails, and fun seasonal sips like Oktoberritas and Oktobertinis. Non-alcoholic beer lovers, we’ve got you covered too.

Come hungry. From juicy bratwursts (yes, there’s a vegan option!) with tangy sauerkraut to hearty potato platters, Fairplex’s Bavarian menu is the stuff of Oktoberfest legend. But it’s not *all* German—Pink’s Hot Dogs, King Taco, burgers, funnel cakes, Cathy’s Cookies, and Wetzels Pretzels will also be there to satisfy your every craving.

Raise your glass, move your feet. The beer might bring you in, but the music will keep you dancing all night. Oom pah pah band The Rheinlanders play each night; catch these tribute bands:

- **Oct 3 & 4:** Die Sauerkrauts – Traditional polka with a modern twist
- **Oct 10 & 11:** FlashPants – The wildest 80s party band around
- **Oct 17 & 18:** Red Hot Cholo Peppers – A spicy tribute you’ll never forget

And back for its third year: *Das Kär Show*—more than 40 gorgeous Volkswagen Beetles and Buses you’ll wish you could race down the Autobahn.

Tickets are \$16–\$25 (buy online and save). Designated drivers get free soft drinks—because Oktoberfest is more fun when everyone gets home safe.

Thank you to our sponsor Hyatt Vacation Club.

Grab your friends, grab your stein, and get ready for a night of Bavarian bliss. Visit **Fairplex.com/Oktoberfest** to snag your tickets before they’re gone.
